 Earliest ship date for trees- Fall 2009 delivery (Spring 2010 if moved out)
 Our products are shipped in four inch pots in soil to avoid transplant shock. We feel that bare root shipping causes loss of fungal inoculation. Our product pricing reflects this additional service.

THIS ORDER IS CONFIRMED by acceptance of the down payment of 1/2 of the total amount by Garland Gourmet Mushrooms & Truffles, Inc (GGM).
 All sales are final. Deposits are non-refundable.
 All prices are FOB Hillsborough, North Carolina. **Book orders must be paid in full.**

DELIVERY DATE will be Fall 2009. Specify requested ship date. Upon request, order will be held until the following planting season (Spring 2010) with payment in full.
 GGM reserves the right to cancel or defer to the following year any order which could not be honored.

PAYMENT 1/2 down upon ordering (or see other terms). Balance due when shipped.

All saplings are inoculated by the Black Truffle, *Tuber melanosporum* or *Tuber uncinatum*, however, no guarantee is implied or stated that truffles will be produced.
